Blessing to the Vicar, the Managing Committee and the Editorial Team of the Parish Website and all our beloved faithful members at St. Mary's Orthodox Syrian Cathedral, Piravom!

We are profoundly delighted to know about the launch of the new website by the historically vibrant Piravom Valiyapalli. A Church website consists of its fascinating history, rich traditions, socio-cultural contributions to the society and with relevant details of parish members would invariably facilitate more fruitful pastoral ministry, effective communication among the members of the parish and will serve as a gateway to the outside world. May this endeavour culminate in the glorification of the kingdom and the good witness of the parish.

We send our good wishes for the launch of the website and greatly appreciate the efforts of the Vicar and the Editorial team in this venture.

May God bless you,

**Baselios Marthoma Mathews III**
